

**P/N: S5778A DATA SHEET**

Page : 1/1

Feature

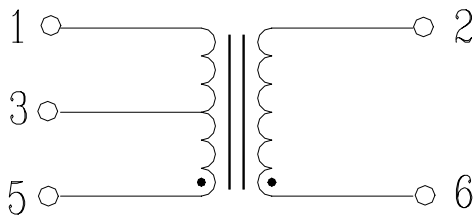

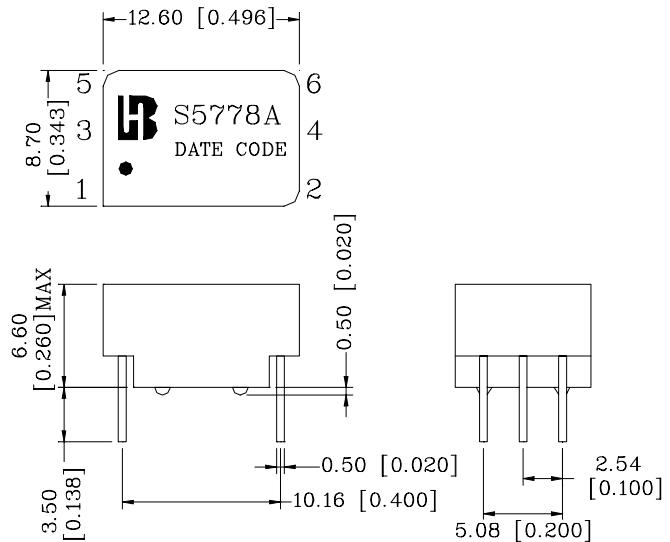

- This standard series of 6 pin DIL Line interface Modules to meet the isolation and impedance matching requirements for T1,E1,CEPT and PRI ISDN applications.
- Operating temperature of :0°C to +70°C
- Storage temperature range: -25°C to +125°C.

Electrical Specifications @ 25°C

Part Number	Turns Ratio (±2%)	OCL (mH Min)	L.L (uH Max)	C _{ww} (Max pF)
S5778A	1CT:1	1.2	0.8	25
